

15th September 2023

Dear Primley Wood Primary School Parents and Carers,

We hope this message finds you well and recharged after the summer break. We trust that you've had the opportunity to relax and rejuvenate, spending quality time with family and friends. As we step into a new academic year, we want to extend a warm welcome back to each and every one of you.

We would also like to update you regarding our school's leadership. Since Spring 2023, when Deborah Kenny left to focus on Manor Wood, we have reviewed our school leadership requirements. We are delighted to announce that our Board of Trustees have appointed Debbie Westwood, as Primley Wood's Executive Headteacher.

Mrs Westwood is Director of Primary Education at Nishkam Schools Multi-Academy Trust (NSMAT), an Ofsted outstanding Trust, with a strong track record of pupil outcomes in the top quintile nationally within its network of schools across the country. We eagerly anticipate the opportunity to work alongside Debbie and leverage their collective expertise.

Mrs Westwood will be on site weekly to work with the senior leadership team and staff to strengthen our ability to provide the best possible education for all our pupils together with driving through actions identified by OFSTED at our last inspection. The day to day business at the school will continue to be driven by Mr Jordan License, Head of School.

We look forward to another academic year full of energy, and further progress on the exciting future of our school.

Warmest regards,

Harnek Singh
Chair of Trustees (on behalf of the Board of Trustees)
