

Spring two in Year 4

English

This half term, our Year 4 English journey leads us into the realm of creative expression and storytelling. We'll be crafting captivating fact files, delving into the depths of knowledge to unearth fascinating details. Additionally, we'll embark on a literary adventure inspired by "The Village That Vanished," where we'll hone our retelling skills, weaving words to paint vivid pictures of adventure, mystery, and courage. Get ready to unleash your imagination and sharpen your writing prowess as we journey through the pages of both fact and fiction!

We are reading...

Key Information

Swimming kit - Monday
PE days - Friday
Spelling test - Thursday
Log home reading in reading records 4 times a week.
Play on TTRS for 20 minutes per week
Children to be in school at 8:40am

Maths

This half term, our Year 4 mathematics curriculum takes a deep dive into the realm of decimals. From understanding their place value to mastering operations. We'll explore the intricacies of decimals with precision and clarity. Through engaging activities and problem-solving challenges, we'll sharpen our mathematical skills and unlock the power of decimals. Get ready to conquer this numerical frontier and elevate your mathematical prowess to new heights!

Science

This half term, our Year 4 science adventures revolve around the fascinating world of food and digestion. From the moment food enters our mouths to its journey through our digestive system, we'll unravel the intricate processes that sustain our bodies. Through hands-on experiments, interactive discussions, and exploration of the digestive system's anatomy and functions, we'll uncover the secrets of nutrition and the importance of a balanced diet. Get ready to feast your minds on the science behind what fuels us and discover the wonders of our incredible digestive systems!

History/Geog

This half term in our Year 4 geography lessons, we embark on an exciting journey deep into the heart of the rainforests. With awe-inspiring biodiversity and lush ecosystems, we'll delve into the mysteries of these vibrant landscapes, the significance of their conservation, and the cultures of the indigenous peoples who call them home. Get ready to explore the wonders of the world's most captivating ecosystems and ignite a passion for conservation and exploration!

Art/DT

This half term in Design and Technology (DT), our Year 4 students will be diving into the culinary world as we explore the art of recipe adaptation. From tweaking ingredients to adjusting cooking methods, we'll learn the creative process of transforming recipes to suit our tastes, dietary needs, and cultural preferences. Through hands-on cooking sessions, experimentation, and thoughtful reflection, we'll develop a deeper understanding of how ingredients interact and how to craft delicious dishes tailored to our unique preferences. Get ready to unleash your culinary creativity and savor the joy of culinary innovation!

RE

This half term in Religious Education (RE), our Year 4 students will delve into the significance of Easter and why it holds such importance in the Christian faith. Through thoughtful discussions, engaging activities, we'll unravel the profound meanings behind this holiday. Get ready to embark on a journey of spiritual discovery as we explore the timeless significance of Easter in the Christian faith.

Spanish

This half term in Spanish, our Year 4 students will embark on an exciting linguistic journey as we explore vocabulary based around the wider world. From discovering new words related to travel destinations, cultures, and landmarks to learning about diverse countries and their customs, we'll expand our Spanish language skills while broadening our global awareness.

Computing

This half term in Computing, our Year 4 students will be delving into the exciting realm of data logging. From understanding sensors and data collection devices to exploring different methods of recording and interpreting information, we'll develop valuable skills in data analysis and problem-solving.

PSHE/Music

This half term in PSHE, our Year 4 students will embark on an enlightening exploration of citizenship. Through interactive discussions, collaborative activities, and reflective exercises, we'll delve into the rights, responsibilities, and values that shape our roles as active members of society.

In music we will continue to learn with our music instructor who comes in every two weeks.

PE

This half term in Physical Education (PE), our Year 4 students will be embarking on an exhilarating journey into the world of gymnastics. Through a series of dynamic exercises, stretches, and routines, we'll explore the fundamental skills and techniques essential to mastering this graceful and challenging sport. From perfecting balance and coordination to building strength and flexibility, we'll cultivate physical agility and confidence. With a focus on safety, teamwork, and personal growth, get ready to flip, twist, and soar as we dive into the exciting realm of gymnastics!
